Smoking is prohibited in all Mary E. Theler Community Center buildings. Smoking is permitted in outside designated areas only.

For the purposes of this policy, smoking is defined as burning any type of legal tobacco product including, but not limited to, cigarettes, cigars, cigarillos and pipes.

Organizers and attendees at public events, such as conferences, meetings, public lectures, social events and cultural events, using Theler Center facilities will be required to abide by this Policy. Organizers of such events are responsible for communicating this policy to attendees and for enforcing this policy.

A covered outdoor area outside a presumptively reasonable minimum distance of twenty-five feet from entrances, exits, windows that open, and ventilation intakes of the Mary E. Theler Community Center building will be designated.

All indoor no-smoking areas and all outdoor smoking areas shall be clearly marked with signs.
