Now, those closest to Theler Community Center and Wetland Trails can make a lasting gesture through a gift to preserve and protect this special treasure.

Contributors are invited to provide an inscription to be laser engraved on a brick located at the head of the trail system.

Now is your chance to support Theler with a donation that will last a lifetime. Buy a brick in honor or memory of a loved one or special occasion. (or one for yourself!)

Each sponsored brick will be a visible part of Theler and will help ensure the trails and buildings continue for generations to come.

**Your gift will leave a legacy
that will last for years to come.**

Personalized bricks are a great way to honor and recognize friends, family members, anniversaries, special occasions or as a lasting memorial to someone special.

*"There's a very personal memory for me
now when I visit the Trails."*

Graduates!
